RESOLUTION 2026-3733

A RESOLUTION OF THE COUNTY COMMISSION (THE "COMMISSION") OF WASHINGTON COUNTY, UTAH (THE "COUNTY"), PROVIDING FOR THE CREATION OF SOLARA PUBLIC INFRASTRUCTURE DISTRICTS NO. 1 THROUGH 4 (COLLECTIVELY, THE "DISTRICTS") AS INDEPENDENT DISTRICTS; AUTHORIZING AND APPROVING AN INITIAL GOVERNING DOCUMENT; APPOINTMENT OF BOARDS OF TRUSTEES; AUTHORIZING OTHER DOCUMENTS IN CONNECTION THEREWITH; AND RELATED MATTERS.

WHEREAS, a petition (the "Petition") was filed with the County requesting adoption by resolution the approval of the creation of four Public Infrastructure Districts pursuant to the Public Infrastructure District Act, Title 17D, Chapter 4, Utah Code Annotated 1953, as amended (the "PID Act") and relevant portions of the Limited Purpose Local Government Entities - Special Districts, Title 17B (together with the PID Act, the "Act") within the County, and the annexation or withdrawal of any portion of the boundaries of the Districts therefrom without further approval or hearings of the County or the Commission, as further described in the initial Governing Document (as hereinafter defined) for the purpose of financing public infrastructure costs; and

WHEREAS, pursuant to the terms of the Act, the County may create one or more public infrastructure Districts by adoption of a resolution of the Commission and with consent of 100% of all surface property owners proposed to be included in the Districts (the "Property Owners"); and

WHEREAS, the Petition, containing the consent of such Property Owners has been certified by the Recorder of the County pursuant to the Act, and it is in the best interests of the Property Owners that the creation of the Districts be authorized in the manner and for the purposes hereinafter set forth; and

WHEREAS, the County previously adopted a Public Infrastructure District Policy for establishing public infrastructure districts (the "PID Policy"), outlining certain considerations for the County in public infrastructure district applications; and

WHEREAS, the County, prior to consideration of this Resolution, held a public hearing after 6:00 p.m. to receive input from the public regarding the creation of the Districts, and the Property Owners have waived the 60-day protest period pursuant to Section 17D-4-201 of the PID Act; and

WHEREAS, the public hearing on the Petition was held in the County Commission chambers on the 4th floor at 111 E. Tabernacle, St. George, Utah because there is no reasonable place to hold a public hearing within the Districts' boundaries, and the hearing was held as close to the applicable area as reasonably possible; and

WHEREAS, the County properly published notice of the public hearing in compliance with Section 17B-1-211(1) of the Act; and

WHEREAS, none of the Property Owners submitted a withdrawal of consent to the creation of the Districts before the public hearing on the Petition; and

WHEREAS, according to attestations filed with the County, each board member to be appointed under this Resolution is registered to vote at their primary residence and is further eligible to serve as a board member of the Districts under Section 17D-4-202(c) of the PID Act because they are owners or agents of property owners within the Districts' boundaries (as further set forth in the Petition); and

WHEREAS, it is necessary to authorize the creation of the Districts under and in compliance with the laws of the State of Utah and to authorize other actions in connection therewith; and

WHEREAS, the governance of the Districts shall be in accordance with the PID Act and the terms of an initial governing document (the "Governing Document") and an amended Governing Document and Development Agreement to be negotiated and approved by the County Commission within 60 days of the date of execution of this creation Resolution; the initial Governing Document is attached as Exhibit B; and

WHEREAS, pursuant to the requirements of the Act, there shall be signed, authenticated, and submitted to the Office of the Lieutenant Governor of the State of Utah for each of the Districts a Notice of Boundary Action attached hereto as Exhibit C (the "Boundary Notices") and Final Entity Plat attached to each as Boundary Notices as an Appendix (or as shall be finalized in accordance with the boundaries approved hereunder) (the "Plat").

NOW, THEREFORE, BE IT RESOLVED BY THE COMMISSION, AS FOLLOWS:

1. Terms defined in the foregoing recitals shall have the same meaning when used herein. All action heretofore taken (not inconsistent with the provisions of this Resolution) by the Commission and by officers of the Commission directed toward the creation and establishment of the Districts, are hereby ratified, approved and confirmed.
2. The Districts are hereby created as separate entities from the County in accordance with the initial Governing Document and the Act. The boundaries of the Districts shall be as set forth in the Notice of Boundary Action, Appendix, the Amended Governing Document and the Plat.
3. Pursuant to the terms of the PID Act, the Commission does hereby approve the annexation or withdrawal of any area within the Annexation Area (and as defined in the Governing Document) into or from the Districts, as applicable, without any further action, hearings, or resolutions of the Commission or the County, upon compliance with the terms of the PID Act and the Amended Governing Document.
4. The Commission does hereby authorize the Districts to provide services relating to the financing and construction of public infrastructure within and without the Annexation Area upon annexation thereof into the Districts without further request of the Districts to the County to provide such service under 17B-1-407, Utah Code Annotated 1953 or resolutions of the County under 17B-1-408, Utah Code Annotated 1953.

5. It is hereby found and determined by the Commission that the creation of the Districts is appropriate to the general welfare, order and security of the County and is in accordance with the PID Policy, and the organization of the Districts pursuant to the PID Act is hereby approved.

6. It is hereby found and determined by the Commission that the County, the Districts, and the applicant will negotiate in good faith to create the Amended Governing Document and the Development Agreement within 60 days of the execution of this Resolution as set forth in the PID Policy, and failure of the Commission and the Boards of the Districts to execute an approving resolution, or execute the documents within 60 days prevents the Districts from issuing debt. In accordance with the Governing Document, in the event that an Amended Governing Document is not approved by the Commission and the Boards within 60 days of the date of this Resolution, the Districts shall take such actions as are necessary to dissolve.

7. The Trustees of each Board of the Districts shall be initially composed of the same members subject to the Governing Document. The initial Boards of the Districts are hereby appointed as follows:

- (a) Trustee 1 – Aaron Tilton, for an initial 6-year term;
- (b) Trustee 2 – Doug Towler, for an initial 4-year term; and
- (c) Trustee 3 – Bob Hermandson, for an initial 6-year term.

Such terms shall commence on the date of issuance of a Certificate of Creation by the Office of the Lieutenant Governor of the State of Utah.

8. The Commission does hereby authorize the Chair or a Commissioner to execute the Boundary Notices in substantially the form attached as Exhibit C, the Plats, and such other documents as shall be required to accomplish the actions contemplated herein on behalf of the Commission for submission to the Office of the Lieutenant Governor of the State of Utah.

9. Prior to recordation of certificates of incorporation for all Districts, the Commission does hereby authorize the Chair, a Commissioner, or the County Attorney's office to make any corrections, deletions, or additions to the Governing Document, the Development Agreement, and the Boundary Notices or any other document herein authorized and approved (including, but not limited to, corrections to the property descriptions therein contained) which may be necessary to conform the same to the intent hereof, to correct errors or omissions therein, to complete the same, to remove ambiguities therefrom, or to conform the same to other provisions of said instruments, to the provisions of this Resolution or any resolution adopted by the Commission or the provisions of the laws of the State of Utah or the United States.

10. The Boards of Trustees of the Districts (the "District Boards") are hereby authorized and directed to record the initial Governing Document after its approval and execution with the recorder of the Washington County within thirty (30) days of the issuance of the Certificate of Creation by the Office of the Lieutenant Governor of the State of Utah and the Amended Governing Document within thirty (30) days of approval thereof by the County and the Districts.

11. If any section, paragraph, clause or provision of this Resolution shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this Resolution.

12. All acts, orders and resolutions, and parts thereof in conflict with this Resolution be, and the same are hereby, rescinded.

13. This resolution shall take effect immediately.
